INTRODUCTION

WHO WE ARE

Farnek Security delivers **technology-driven, integrated security solutions** supported by highly trained personnel. Our mission is to safeguard people, assets, and premises across sectors including Aviation, Hospitality, Retail, Commercial, Residential, Government, Education, and Leisure.

Our security professionals undergo **rigorous vetting and training**, with many coming from armed forces or police backgrounds. All personnel are certified through **SIRA, ASSD, PSCOD, PSBD**, and **NSI** programs, ensuring compliance with the latest UAE security standards.

OUR INTEGRATED SECURITY APPROACH INCLUDES

- Risk assessment and site vulnerability analysis
- Tailored security management models
- Effective recruitment and rapid deployment of manpower and equipment
- Development and implementation of site-specific policies and procedures
- Pre-deployment and continuous training programs
- Day-to-day operational management and stakeholder coordination
